

Track & Field Boosters

The Track & Field Boosters historically have advocated \$25 per student-athlete to help cover the costs of attending out-of-town meets, and to assist in the procurement of uniforms and equipment for our track facility.

For those so inclined (business owners, grandparents, uncles, boyfriends, girlfriends, particularly-supportive parents...), we also offer personal messages and business links for posting to our website, maclayrunners.com. In addition, remember that your donation to the Maclay Annual Fund can be earmarked for Track & Field Boosters.

The **personal messages** are graphical text boxes for short notes of encouragement/congratulations/advice that will be on a special page and will be identified by the student-athlete's name (they will click the name and the message will pop up). The \$50 donation covers the entire season and on through the summer (Feb-Sep), and will grant you multiple changes to the message during the season (daily if you so desire, and if the webmaster isn't overwhelmed).

The **business links** (\$75 donation) will be a text or logo link to your business website or to a description of your business or whatever you want to promote (no personal items for sale requests, please) - this too can change throughout the season. Seventy-five dollars for eight months of premium advertising on a site that receives tens of hits per day is phenomenal! [actual traffic ranges from 100-500 views per day]

Please indicate your donation below and fill in any information that may be required for your selected category.

Thanks,
Doug Covert (dugco@comcast.net; 668-6785)
