

# Track & Field / Cross Country Boosters Fundraising / Advertising / Well Wishes

Clearly, the coaches' and our children's undying gratitude and appreciation for our generous donations to the Track & Field/Cross Country Boosters is more than enough, but, if you would like a little something you can really sink your teeth into...

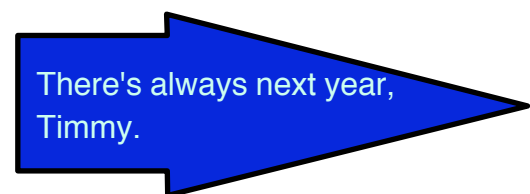

We have a "Boosters' Links/Messages" page on our website, maclayrunners.com, on which, for a small fee, we post links to business websites or short messages of encouragement or prideful boastings.

Business Sponsor Link      \$75\*  
Family/Friend Message      \$50

\*You can't beat the advertising value for a site that gets tens of hits per day :-)

Links/messages "purchased" at the beginning of a season (Feb for T&F; Sep for XC) will stay on the website until the start of the next running season (Feb to Sep for T&F; Sep to Feb for XC), and will be renewable annually. In the case of messages, your fee buys you multiple changes to your message through the season...

Contact Doug Covert by phone (668-6785) or e-mail (dugco@comcast.net), or visit the website for more details. Or, just include a note with specifics on your link/message when you deliver your check made payable to Maclay Track Boosters to the front office.
